**Subject:** Request for Secretary Zinke

Hi Ms. Leila Getto,

My name is Carrie Hackenberger and I work for the American Petroleum Institute out of our Colorado Office. We are hosting a luncheon event in Colorado on July 26<sup>th</sup> called the State of Colorado Energy. We are expecting approximately 300-400 people in attendance, as this will be the 5<sup>th</sup> time we have held this event and the attendance has grown each year. This lunch will contain a panel with API's President and CEO Jack Gerard and we would like to cordially invite Secretary Zinke to participate in the panel as well. We had received the attached form and were told to fill it out, but I wanted to be sure this was the right process or if there was any additional forms that needed to be included in order to make this request formally. Would you please advise if there is any additional information or forms I need to provide? Thank you in advance and I look forward to hearing from you soon.

Best regards,

**Carrie Hackenberger**
